

- The 2015 Girls Summer Hockey Camp, sponsored by the University of New England, will commence its inaugural season on July 6th and run for five consecutive week.
- This clinic is targeted to girls entering middle school through their junior year of high school and have at least two years of prior competitive hockey experience
- This clinic will focus on an overall understanding of hockey and triangular formation principles of the game.
- Ice time will be concentrated on small area games with set parameters to assist in the understanding of space and time.
